10014134 - Blondie Mix - TIS

Product Name: Blondie Mix

Ref Number: 10014134

Pack Size: 12.5kg

Product Information: A complete powder mix to make delicious and chewy blondies, that once baked has notes of caramel. Requires only the addition of water and vegetable oil to the mix and will take inclusions (10% recommended).

Standard Recipe:

1.000kg Blondie Mix

0.190kg water

0.190kg vegetable oil

Method:

1. In a machine bowl fitted with a paddle, add 190g of vegetable oil and 190g of water to 1kg of Blondie Mix
2. Beat for 1 minute on slow.
3. Beat for 3 minutes on medium.

Scaling suggestions & approximate baking times:

- Baking temperature 175°C/350°F
- 7x12 trays – deposit 1kg and bake for 40 minutes.
- 18inch x 30inch sheets – deposit between 4-5kg and bake for 50-55 minutes.
