Recipe

Hazelnut Brownie Cheesecake

Ingredients:

Macphie Brownie Mix SG	0.500kg
Vegetable oil	0.060kg
Water	0.145kg
Braun Alaska (chocolate)	0.100kg
Water	0.125 kg
Fresh whipped cream	0.500kg
IRCA Chococream Crunch Cacao Nocciole	0. 150kg
Ferrero Rocher	0.025kg

Method:

- Add Macphie Brownie Mix to machine bowl fitted with a beater and mix on x1 speed for 30 seconds
- Then add oil, and beat on the same speed for another 30 seconds
- Add the water and mix for 1 minute and scrape down
- Mix for a further minute on speed 1
- Line a baking tray and bake for 30 minutes at 190ºC
- Once cooled, use a cake ring to create the base of the cheesecake
- Making the cream centre, whip up fresh cream until airy and fluffy
- Add the Alaska express powder to water and mix slightly
- Then add to whipped cream and mix
- Pipe into the cake ring and put into the fridge for at least 4-6 to set

- Once set pipe or spoon IRCA Chococream crunch Cacao Nocciole on top and decorate with Ferrero Rochers
