### LEMON SENSATION

REF: CS451

Review date: 23/06/05

**Macphie Lemon Sensation** contains fruit based pieces which form pockets of fruity juiciness when baked, adding a delicious new taste sensation and a new level of moistness to the crumb. It is a complete mix, which requires only the addition of water and oil to make tray bakes, loaf cakes, cup cakes or muffins. The batter and baked products are both freeze thaw stable.

Other flavours in the **Macphie Cake Sensations** range include **Apple & Cinnamon, Strawberry, Tropical, Banoffee** and **Blueberry**.
