

## Slab Cake Filling

### Ingredients:

	kg
Gamma AV White Cake Margarine	2.720
Milk Powder	0.230
Salt	0.030
Icing Sugar	5.440
Water	0.910

### Method:

- Blend the Gamma and dry ingredients adding the water as mixing commences.
- Beat for 10 minutes on medium speed.
- Note: for heavy type slab cake filling, increase the Icing Sugar by 1.36kg to a total of 6.8kg.
